Re: Invitation to Press conference

The Media Institute of Southern Africa (MISA Lesotho Chapter) has developed a Position Paper for the ongoing multi-sector reforms, which include the media.

The Position Paper outlines MISA Lesotho's proposed critical areas of consideration for media reforms. The document also acts as a tool that MISA Lesotho will use to advocate for change that the media needs.

You are, therefore, cordially invited to a press conference to unpack the document at MISA Lesotho premises in Happy Villa, House No. 1B, Maseru, on Wednesday 26th June 2019, at 14h00 (2:00pm).

Warm regards,
Lekhetho Ntsukunyane
National Director (a.i.)
